Resit examination period (in case you didn't pass an exam)	Examination period:	To mid-July 2022
	Evaluation deadline for teachers:	25 th July 2022

Please note:

- Lecture and examination periods might vary depending on the faculty.
- Lecture and examination periods might be subject to slight variations in the Master's degrees.
- Early exams are not always possible to take. If students need to return to their home universities before the end of the examination-period, they must contact their teachers.
- ToRs will be issued after the evaluation deadlines for teachers.
